Bringing New Horizons to Therapy

Dear EDAP Shareholders,

We are pleased to convey to you that our upcoming Shareholders Assembly Meeting is scheduled to convene on June 25, 2012. EDAP's Board of Directors and management team would like to take this opportunity to request your support for the attached resolutions.

You will be requested to vote for resolutions submitted to (i) the Ordinary Assembly Meeting of Shareholders and to the (ii) Extraordinary Assembly Meeting of Shareholders.

Resolutions relevant to the **Ordinary Assembly Meeting (Resolutions 1 to 6)** include approval of the Company's 2011 fiscal year accounts, related corporate activity approvals and allocation of Board fees. We invite you to read the Company's 2011 20-F Report on 2011 consolidated accounts available on the Company's website www.edap-tms.com, Investor Relations section. This year, the mandate of the Company's Auditors has come to the end of its term, and the Board of Directors, after reviewing proposals from auditing firms, has decided to retain the proposal from PricewaterhouseCoopers Audit and to submit for your approval their appointment for the statutory period of six years. Finally, we wish to submit for your vote, and ask that you vote in favor of, the appointment of Marc Oczachowski, CEO of EDAP, who is relocating to the U.S. as recently announced, as a member of the Board of Directors.

Resolutions relating to the **Extraordinary Assembly Meeting** relate mainly to the renewal of the resolutions that you previously authorized in last year's Assembly Meeting. The resolutions, in accordance with French and International standards and in the interest of the Company, aim at providing the Company with the necessary flexibility to continue its business and development.

- To that end, we submit for your approval the renewal of various financial delegations to your Board of Directors (**Resolutions 10 to 13**), which would allow it to seize opportunities, if need be, and implement share capital increases, with or without preferential subscription rights. You will note that Resolution 13 allows certain categories of investors such as practitioners using the Company's technology, the Company's business partners, or patients who have been treated with EDAP's innovative technologies, to participate in possible future financing operations and take part in our strategic development.
- In line with the Company's profit-sharing plan and share-based incentive programs, we propose that you renew a delegation of authority to your Board of Directors so that it may carry out share capital increases reserved to categories of

the Company's employees, officers and directors, who meet certain specified characteristics (**Resolutions 14 and 15**).

- The maximum aggregate nominal amount of share capital increases that may be consummated, pursuant to the delegations we propose you to grant to your Board of Directors, would be renewed at 1,300,000 euros, i.e., a maximum possible number of 10,000,000 shares with a nominal amount of 0.13 euros each (**Resolution 8**).

In the name of the Board of Directors, I wish to reiterate that this authorization is necessary to ensure that the Company has the flexibility to conduct its business and to face possible risks and opportunities. But this request does not relate to existing projects of new fund raisings in the short term, and the Board of Directors and I remain committed to making sure that the use, if any, of these authorizations will be thoroughly checked in light of the ultimate interest of the Company's Shareholders.

- Finally, **Resolution 9** is submitted to your approval in order to authorize the Board to issue shares to Bondholders without preferential subscription rights, in order to allow the payment of interests linked to the Company's indebtedness in the form of shares.
- From a purely technical point of view, the Company wishes to amend Article 32 of its Articles of Association to reflect current contractual commitments covering the applicable jurisdictions that may apply in case of legal actions (**Resolution 7**).

As we recently announced, the Board of Directors has made the strategic decision to shift the major emphasis of its business to the U.S. market, with the CEO's immediate relocation to the U.S. to fully focus on growing our U.S. activities. We believe this strategy will allow us to implement the significant initiatives for our lithotripsy business and our upcoming FDA expected filing for Ablatherm HIFU. We look forward to reporting on our progress on EDAP's development and success in the U.S.

In the name of the Board of Directors of EDAP,
I wish to thank you for your continued support.

Sincerely,

Philippe CHAUVÉAU
Chairman of the Board
