Ladies and Gentlemen:

EDAP TMS S.A., a *société anonyme* organized under the laws of France (the "**Company**") proposes to sell to the several Underwriters named in Schedule I hereto (the "**Underwriters**") an aggregate of 4,150,000 Ordinary Shares (the "**Shares**"), nominal value €0.13 per share (each, an "**Ordinary Share**"), to be delivered in the form of an aggregate of 4,150,000 American Depositary Shares (the "**ADSs**"), each ADS representing the right to receive pursuant to the Deposit Agreement (as defined below) one Ordinary Share of the Company, pursuant to this Purchase Agreement (this "**Agreement**").

The ADSs delivered to the Underwriters hereunder shall be evidenced by American Depositary Receipts ("**ADRs**") issued pursuant to the Deposit Agreement (the "**Deposit Agreement**") dated as of July 31, 1997 and amended and restated as of April 7, 2008, by and among the Company, The Bank of New York Mellon, as depositary (the "**Depositary**") and all owners and beneficial owners from time to time of the ADRs.

The Company hereby confirms its agreement with respect to the sale of the Shares to the several Underwriters, for whom Piper Sandler & Co. is acting as representative (the "**Representative**"). To the extent there are no additional Underwriters named in Schedule I hereto other than the Representative, the term Underwriters, as used herein, shall mean the Representative, as the sole Underwriter.

1. **Registration Statement and Prospectus.** The Company has prepared and filed with the Securities and Exchange Commission (the “**Commission**”) a registration statement on Form F-3 (File No. 333-255101) under the Securities Act of 1933, as amended (the “**Securities Act**” or “**Act**”) and the rules and regulations (the “**Rules and Regulations**”) of the Commission thereunder, and such amendments to such registration statement as may have been required to the date of this Agreement. Such registration statement has been declared effective by the Commission. Each part of such registration statement, including the amendments, exhibits and any schedules thereto, the documents incorporated by reference therein pursuant to Item 6 of Form F-3 under the Securities Act and the documents and information otherwise deemed to be a part thereof or included therein by Rule 430B under the Securities Act (the “**Rule 430B Information**”) or otherwise pursuant to the Rules and Regulations, as of the time the Registration Statement became effective, is herein called the “**Registration Statement**.” Any registration statement filed by the Company pursuant to Rule 462(b) under the Securities Act is called the “**Rule 462(b) Registration Statement**” and, from and after the date and time of filing of the Rule 462(b) Registration Statement, the term “**Registration Statement**” shall include the Rule 462(b) Registration Statement.

The prospectus included in the Registration Statement in the form in which it has most recently been filed with the Commission on or prior to the date of this Agreement is herein called the “**Base Prospectus**.” Each preliminary prospectus supplement to the Base Prospectus (including the Base Prospectus as so supplemented), that describes the Shares and the ADSs and the offering thereof, that omitted the Rule 430B Information and that was used prior to the filing of the final prospectus supplement referred to in the following sentence is herein called a “**Preliminary Prospectus**.” Promptly after execution and delivery of this Agreement, the Company will prepare and file with the Commission a final prospectus supplement to the Base Prospectus relating to the Shares and the ADSs and the offering thereof in accordance with the provisions Rule 430B and Rule 424(b) of the Rules and Regulations. Such final prospectus supplement (including the Base Prospectus as so supplemented), in the form filed with the Commission pursuant to Rule 424(b) is herein called the “**Prospectus**.” Any reference herein to the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to include the documents incorporated by reference therein pursuant to Item 6 of Form F-3 under the Securities Act as of the date of such respective prospectus.

For purposes of this Agreement, all references to the Registration Statement, the Rule 462(b) Registration Statement, the Base Prospectus, any Preliminary Prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy thereof filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval System or any successor system thereto, “**EDGAR**”. All references in this Agreement to financial statements and schedules and other information which is “described,” “contained,” “included” or “stated” in the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus (or other references of like import) shall be deemed to mean and include all such financial statements and schedules and other information which is incorporated by reference in or otherwise deemed by the Rules and Regulations to be a part of or included in the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus, as the case may be; and all references in this Agreement to amendments or supplements to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Prospectus shall be deemed to mean and include the subsequent filing of any document under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”) that is deemed to be incorporated therein by reference therein or otherwise deemed by the Rules and Regulations to be a part thereof.

(B) (1) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Securities Act) of the ADSs or the Shares and (2) at the date hereof, the Company was not, is not and will not be (as applicable) an “ineligible issuer,” as defined in Rule 405 under the Securities Act, including the Company or any subsidiary in the preceding three years not having been convicted of a felony or misdemeanor or having been made the subject of a judicial or administrative decree or order as described in Rule 405 of the Rules and Regulations without taking account of any determination by the Commission pursuant to Rule 405 of the Rules and Regulations that it is not necessary that the Company be considered an ineligible issuer, nor an “excluded issuer” as defined in Rule 164 under the Securities Act.

(C) Each Issuer Free Writing Prospectus satisfied, as of its issue date and at all subsequent times to the Time of Sale at which the Company or another offering participant makes a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Securities Act) of the ADSs or the Shares, all other conditions to use thereof as set forth in Rules 164 and 433 under the Securities Act.

(v) Testing-the-Waters Materials. The Company (i) has not alone engaged in any Testing-the-Waters Communications and (ii) has not authorized anyone other than the Representative to engage in Testing-the-Waters Communications. The Company has not distributed any Written Testing-the-Waters Communications (as defined below) other than those listed on Schedule V hereto. “**Testing-the-Waters Communication**” means any oral or written communication with potential investors undertaken in reliance on either Section 5(d) of, or Rule 163B under, the Act. “**Written Testing-the-Waters Communication**” means any Testing-the-Waters Communication that is a written communication within the meaning of Rule 405 under the Act. (v) No Other Offering Materials. The Company has not distributed and will not distribute any prospectus or other offering material in connection with the offering and sale of the Shares and the ADSs other than any Preliminary Prospectus, the Time of Sale Disclosure Package or the Prospectus or other materials permitted by the Act to be distributed by the Company; *provided, however*, that, except as set forth on Schedule II, the Company has not made and will not make any offer relating to the Shares or the ADSs that would constitute a free writing prospectus, except in accordance with the provisions of Section 4(a)(xv) of this Agreement and, except as set forth on Schedule V, the Company has not made and will not make any communication relating to the Shares or the ADSs that would constitute a Testing-the-Waters Communication, except in accordance with the provisions of Section 2(a)(iv) of this Agreement.

(vi) Financial Statements. The consolidated financial statements of the Company, together with the related notes thereto, set forth or incorporated by reference in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus comply in all material respects with the requirements of the Securities Act and the Exchange Act and fairly present, in all material respects, the financial condition of the Company and its consolidated subsidiaries as of the dates indicated and the results of operations and changes in cash flows for the periods therein specified in conformity with United States generally accepted accounting principles (“GAAP”) consistently applied throughout the periods involved; the supporting schedules included in the Registration Statement, if any, present fairly in all material respects the information required to be stated therein; all non-GAAP financial information (as defined in the Rules and Regulations) included in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus complies in all material respects with the applicable requirements of Regulation G and Item 10 of Regulation S-K under the Act; and, except as disclosed in the Time of Sale Disclosure Package and the Prospectus, there are no material off-balance sheet arrangements (as defined in Regulation S-K under the Act, Item 303(a)(4)(ii)) or any other relationships with unconsolidated entities or other persons, that may have a material current or, to the Company’s knowledge, material future effect on the Company’s financial condition, results of operations, liquidity, capital expenditures, capital resources or significant components of revenue or expenses. No other financial statements or schedules are required to be included in the Registration Statement, the Time of Sale Disclosure Package or the Prospectus. To the Company’s knowledge, KPMG S.A., which has expressed its opinion with respect to the financial statements and related notes filed as a part of the Registration Statement and included in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, is (x) an independent public accounting firm within the meaning of the Act and the Rules and Regulations, (y) a registered public accounting firm (as defined in Section 2(a)(12) of the Sarbanes-Oxley Act of 2002 (the “Sarbanes-Oxley Act”)) and (z) not in violation of the auditor independence requirements of the Sarbanes-Oxley Act.

(vii) Absence of Certain Events. Except as contemplated in the Time of Sale Disclosure Package and in the Prospectus, subsequent to the respective dates as of which information is given in the Time of Sale Disclosure Package, neither the Company nor any of its subsidiaries has incurred any material liabilities or obligations, direct or contingent, or entered into any material transactions, or declared or paid any dividends or made any distribution of any kind with respect to its capital stock; and there has not been any change in the capital stock (other than a change in the number of outstanding shares of Ordinary Shares due to the issuance of shares upon the exercise of outstanding options or warrants, or the conversion of convertible securities), or any material change in the short-term or long-term debt (other than as a result of the conversion of convertible securities), or any issuance of options, warrants, convertible securities or other rights to purchase the capital stock (other than grants of options under existing equity incentive plans described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus), of the Company or any of its subsidiaries, or any Material Adverse Effect. “Material Adverse Effect” shall mean (i) any material adverse change or effect, or any development involving a prospective material adverse change or effect, in or affecting the business, earnings, assets, liabilities, properties, condition (financial or otherwise), operations, general affairs, management, financial position, stockholders’ equity or results of operations of the Company and its subsidiaries, taken as a whole, or (ii) any development that would render the Company unable to perform its obligations under this Agreement, including the issuance and sale of the Shares, the deposit of the Shares with the Depository against the issuance of the ADSs, or to consummate the transactions contemplated in the Time of Sale Disclosure Package and the Prospectus.

(viii) Organization and Good Standing. Each of the Company and its subsidiaries has been duly organized and is validly existing under the laws of its jurisdiction of organization. Each of the Company and its subsidiaries has full corporate power and authority to own its properties and conduct its business as currently being carried on and as described in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, and is duly qualified to do business as a foreign corporation in each jurisdiction in which it owns or leases real property or in which the conduct of its business makes such qualification necessary, except for any such failure to so qualify as would not, individually or in the aggregate, result in a Material Adverse Effect.

(ix) Absence of Proceedings. Except as set forth in the Time of Sale Disclosure Package and in the Prospectus, there is not pending or, to the knowledge of the Company, threatened or contemplated, any action, suit or proceeding (a) to which the Company or any of its subsidiaries is a party or (b) which has as the subject thereof any officer or director of the Company or any subsidiary, any employee benefit plan sponsored by the Company or any subsidiary or any property or assets owned or leased by the Company or any subsidiary before or by any court or Governmental Authority (as defined below), or any arbitrator, which, individually or in the aggregate, would result in any Material Adverse Effect or which are otherwise material in the context of the sale of the ADSs. There are no current or, to the knowledge of the Company, pending, legal, governmental or regulatory actions, suits or proceedings (x) to which the Company or any of its subsidiaries is subject or (y) which has as the subject thereof any officer or director of the Company or any subsidiary, any employee plan sponsored by the Company or any subsidiary or any property or assets owned or leased by the Company or any subsidiary, that are required to be described in the Registration Statement, Time of Sale Disclosure Package and Prospectus by the Act or by the Rules and Regulations and that have not been so described.

(x) Disclosure of Legal Matters. There are no statutes, regulations, contracts or documents that are required to be described in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus or required to be filed as exhibits to the Registration Statement by the Securities Act or by the Rules and Regulations that have not been so described or filed.

(xi) Authorization; No Conflicts; Authority. This Agreement has been duly authorized, executed and delivered by the Company, and constitutes a valid, legal and binding obligation of the Company, enforceable in accordance with its terms, except as rights to indemnity hereunder may be limited by United States federal or state securities laws or applicable French law, and except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and subject to general principles of equity (the “**Enforceability Exceptions**”). The Deposit Agreement was duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery by the Depository, constitutes a valid and legally binding agreement of the Company, enforceable in accordance with its terms, subject to the Enforceability Exceptions, and upon deposit of Shares in respect of the ADSs in accordance with the provisions of the Deposit Agreement, and upon issuance by the Depository of the ADSs and ADRs evidencing the ADSs, such ADSs and ADRs will be duly and validly issued and the persons in whose names the ADRs are registered will be entitled to the rights specified therein and in the Deposit Agreement; and the Deposit Agreement, the ADSs and the ADRs conform in all material respects to the descriptions thereof contained in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus. The execution, delivery and performance of this Agreement and the consummation of the transactions herein contemplated will not (A) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its subsidiaries pursuant to any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (B) result in any violation of the provisions of the Company’s By-laws (*Statuts*) or (C) result in the violation of any law or statute or any judgment, order, rule, regulation or decree of any court or arbitrator or federal, state, local or foreign governmental agency or regulatory authority having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets (each, a “**Governmental Authority**”), except in the case of clause (A) and (C) as would not result in a Material Adverse Effect. No consent, approval, authorization or order of, or registration or filing with any Governmental Authority is required for the execution, delivery and performance of this Agreement or the Deposit Agreement or for the consummation of the transactions contemplated hereby, including the issuance or sale of the Shares by the Company and the issuance of the ADSs upon the deposit of the Shares with the Depository, except such as may be required under the Act, the rules of the Financial Industry Regulatory Authority (“**FINRA**”) or United States state or non-United States securities, or blue sky, laws; and the Company has full power and authority to enter into this Agreement and to consummate the transactions contemplated hereby, including the authorization, issuance of the Shares, and sale of the ADSs as contemplated by this Agreement. To ensure the legality, validity, enforceability or admissibility into evidence in France of this Agreement or the Deposit Agreement, it is not necessary that this Agreement or the Deposit Agreement be filed or recorded with any court or other authority in France (other than court filings in the normal course of proceedings) or that any documentary, stamp, registration tax or duty or other similar taxes or duties in France be paid on or in respect of this Agreement or the Deposit Agreement or any other documents to be furnished hereunder; provided that, as a general rule, any document in a language other than French must be translated into French by an official sworn translator if it is to be submitted as evidence in any action or proceedings before a French court or public body or used for any purpose (including registration) with public bodies.

(xii) Capitalization; the Securities; Registration Rights. All of the issued and outstanding share capital of the Company is duly authorized and validly issued, fully paid and nonassessable, has been issued in compliance with all applicable federal and state and foreign securities laws, were not issued in violation of any preemptive rights or other rights to subscribe for or purchase securities that have not been validly waived, and the holders thereof are not subject to personal liability by reason of being such holders; the Shares and the ADSs which may be sold hereunder by the Company have been duly authorized and, when the Shares have been issued, delivered and paid for in accordance with the terms of this Agreement, the Shares will have been validly issued and will be fully paid and non-assessable, and the holders thereof will not be subject to personal liability by reason of being such holders; and the capital stock of the Company, including the Ordinary Shares, conforms to the description thereof in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus. Except as otherwise stated in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus, (A) there are no preemptive rights or other rights to subscribe for or to purchase, or any restriction upon the voting or transfer of, any securities pursuant to the Company's By-laws (*Statuts*) or any agreement or other instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound, other than any preemptive rights that have been validly waived; and (B) neither the filing of the Registration Statement nor the offering or sale of the ADSs as contemplated by this Agreement gives rise to any rights for or relating to the registration of any Ordinary Shares, ADSs or other securities of the Company (collectively, "**Registration Rights**") and (C) any person to whom the Company has granted Registration Rights has agreed not to exercise such rights until after expiration of the Lock-Up Period (as defined below). All of the issued and outstanding shares of capital stock of each of the Company's subsidiaries have been duly and validly authorized and issued and are fully paid and nonassessable, and, except as otherwise described in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus, the Company owns of record and beneficially, free and clear of any security interests, claims, liens, proxies, equities or other encumbrances, all of the issued and outstanding shares of such stock. The Shares, when issued and delivered against payment therefor, may be freely deposited by the Company with the Depositary against issuance of ADSs and ADRs evidencing the ADSs; the ADSs, when issued and delivered against deposit of the Shares, will be freely transferable by the Company to or for the account of the several Underwriters and the initial purchasers thereof; and there are no restrictions on subsequent transfers of the Shares or the ADSs under the laws of France or the United States, except as described in the Time of Sale Disclosure Package. Under the laws of France, each holder of ADSs and ADRs evidencing ADSs issued pursuant to the Deposit Agreement shall be entitled, subject to the Deposit Agreement, to seek enforcement of its rights through the Depositary or its nominee registered as representative of the holders of the ADRs in a direct suit, action or proceeding against the Company. The Company has an authorized and outstanding capitalization as set forth in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus. The Company's ADSs representing Ordinary Shares conform in all material respects to the description thereof contained in the Time of Sale Disclosure Package and the Prospectus.

(xiii) Stock Options. Except as described in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus, there are no options, warrants, agreements, contracts or other rights in existence to purchase or acquire from the Company or any subsidiary of the Company any shares of the capital stock of the Company or any subsidiary of the Company. The description of the Company's stock option, stock bonus and other stock plans or arrangements (the "**Company Stock Plans**"), and the options or other rights granted thereunder (collectively, the "**Options**"), set forth in the Time of Sale Disclosure Package and the Prospectus accurately and fairly presents the information required to be shown with respect to such plans, arrangements, options and rights. Each grant of an Option (A) was duly authorized no later than the date on which the grant of such Option was by its terms to be effective by all necessary corporate action, including, as applicable, approval by the board of directors of the Company (or pursuant to a duly made delegation of authority therefrom) and any required stockholder approval by the necessary number of votes or written consents, and the award agreement governing such grant (if any) was duly executed and delivered by each party thereto and (B) was made in accordance with the terms of the applicable Company Stock Plan, and all applicable laws and regulatory rules or requirements, including all applicable U.S. federal securities laws.

(xiv) Compliance with Laws. Except as would not, individually or in the aggregate, have a Material Adverse Effect: (i) the Company and its subsidiaries hold, and are operating in compliance with, all franchises, grants, authorizations, licenses, permits, easements, consents, certificates and orders of any Governmental Authority or self-regulatory body required for the conduct of its business, as currently conducted ("**Government Authorizations**") and all such Government Authorizations are valid and in full force and effect; and (ii) neither the Company nor any of its subsidiaries has received notice of any revocation or modification of any such Government Authorizations or has reason to believe that any such Government Authorizations will not be renewed in the ordinary course; and (iii) the Company and its subsidiaries are in compliance with all applicable United States federal, state, and local and applicable foreign laws, regulations, orders and decrees.

(xv) Ownership of Assets. The Company and its subsidiaries have good and marketable title to all property (whether real or personal) (excluding for the purpose of this clause (xv), Intellectual Property (as defined below)) described in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus as being owned by them, in each case free and clear of all liens, claims, security interests, other encumbrances or defects, in each case, except (a) such as are described in the Registration Statement, in the Time of Sale Disclosure Package and in the Prospectus and (b) such failures as would not, individually or in the aggregate, have a Material Adverse Effect. The property held under lease by the Company and its subsidiaries is held by them under valid, subsisting and enforceable leases with only such exceptions with respect to any particular lease as do not interfere in any material respect with the conduct of the business of the Company or its subsidiaries, taken as a whole.

(xvi) Intellectual Property. Furthermore, other than as disclosed in the Registration Statement, the Time of Sale Disclosure Package, and the Prospectus, (A) to the knowledge of the Company, the Intellectual Property owned by or exclusively licensed to the Company or its subsidiaries has not been infringed, misappropriated or otherwise violated by any third parties; (B) there is no pending or, to the knowledge of the Company, threatened, action, suit, proceeding or claim by others challenging the Company's or its subsidiaries' ownership of, or rights in or to, any such Intellectual Property, and the Company is not aware of any facts which would form a reasonable basis for any such claim; (C) the Intellectual Property owned by the Company and its subsidiaries, and to the knowledge of the Company, the Intellectual Property exclusively licensed to the Company and its subsidiaries, has not been adjudged invalid or unenforceable, in whole or in part, and except as disclosed in the Registration Statement, the Time of Sale Disclosure Package, and the Prospectus, there is no pending or, to the knowledge of the Company, threatened action, suit, proceeding or claim by others challenging the validity, enforceability or scope of any such Intellectual Property, and the Company is not aware of any facts which would form a reasonable basis for any such claim; (D) there is no pending or, to the knowledge of the Company, threatened action, suit, proceeding or claim by others that the Company or any of its subsidiaries have infringed, misappropriated or otherwise violated any Intellectual Property or other proprietary rights of any third parties, neither the Company nor any of its subsidiaries have received any written notice of any such claim, and the Company is not aware of any other fact which would form a reasonable basis for any such claim, and, to the knowledge of the Company, the Company and its subsidiaries have not infringed, misappropriated or otherwise violated the Intellectual Property of any third party; (E) to the Company's knowledge, no employee of the Company or any of its subsidiaries is in or has ever been in violation of any term of any employment contract, patent disclosure agreement, invention assignment agreement, non-competition agreement, non-solicitation agreement, non-disclosure agreement or any restrictive covenant, in each case to or with a former employer where the basis of such violation relates to such employee's employment with the Company or its subsidiaries or actions undertaken by the employee while employed with the Company or its subsidiaries and which would form a reasonable basis for claims by such former employers that the Company or any of its subsidiaries infringe, misappropriate or otherwise violate any of their Intellectual Property, except as would not, individually or in the aggregate, result in a Material Adverse Effect; (F) to the knowledge of the Company, there is no prior art or public or commercial activity of which the Company is aware that may render any patent owned by or exclusively licensed to the Company or any of its subsidiaries invalid or that would preclude the issuance of any patent on any patent application owned by or exclusively licensed to the Company or any of its subsidiaries, which has not been disclosed to the U.S. Patent and Trademark Office or the relevant foreign patent authority, as the case may be; (G) to the Company's knowledge, all issued patents owned by or exclusively licensed to the Company or any of its subsidiaries are valid and enforceable and the Company is unaware of any facts that would preclude the issuance of a valid and enforceable patent on any pending patent application owned by or exclusively licensed to the Company or any of its subsidiaries; (I) to the Company's knowledge, no government funding, facilities or resources of a university, college, other educational institution or research center was used in the development of any Intellectual Property that is owned or purported to be owned by the Company or any of its subsidiaries that would confer upon any governmental agency or body, university, college, other educational institution or research center any claim or right in or to any such Intellectual Property; and (J) the Company and its subsidiaries have taken reasonable steps in accordance with normal industry practice to maintain the confidentiality of all Intellectual Property of the Company or any of its subsidiaries the value of which to the Company or any of its subsidiaries is contingent upon maintaining the confidentiality thereof and, to the Company's knowledge, no such Intellectual Property has been disclosed other than to employees, representatives and agents of the Company or its subsidiaries all of whom are bound by written and enforceable confidentiality agreements. "**Intellectual Property**" shall mean all patents, trademarks, service marks, trade names, copyrights, licenses, inventions, trade secrets, domain names, technology, software, know-how and all other intellectual property in the United States and foreign jurisdictions (including all registrations and applications for registration of, and all goodwill associated with, the foregoing).

The Company has no knowledge of any studies or clinical trials conducted by or on behalf of Company or sponsored by Company, which are not described in the Disclosure Package and the Prospectus the results of which reasonably call into question in any material respect the results of the clinical trials described in the Registration Statement, the Time of Sale Disclosure Package or Prospectus; and the Company has not received any written notices or other written correspondence from the FDA, EMA, Health Canada or any other foreign, state or local governmental body exercising comparable authority or any Institutional Review Board or comparable authority requiring or threatening the termination, suspension or material modification of any clinical trials conducted by or on behalf of, or sponsored by, the Company and, to the Company's knowledge, there are no reasonable grounds for the same. (xxiii) No Violations or Defaults. Except as disclosed in the Registration Statement, the Time of Sale Disclosure Package and the Prospectus, neither the Company nor any of its subsidiaries (i) is in violation of its respective articles of association, charter or by-laws (or similar organizational documents), (ii) is in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant, condition or other obligation contained in any indenture, mortgage, deed of trust, loan agreement, license or other agreement or instrument to which it is a party or by which it is bound or to which any of its properties or assets is subject, or (iii) is in violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over it or its property or assets or has failed to obtain any license, permit, certificate, franchise or other governmental authorization or permit necessary to the ownership of its property or to the conduct of its business, except in the case of clauses (ii) and (iii), to the extent any such conflict, breach, violation or default would not, individually or in the aggregate, result in a Material Adverse Effect.

(xxv) Exchange Listing and Exchange Act Registration. The ADSs and the Ordinary Shares are registered pursuant to Section 12(b) of the Exchange Act and the ADSs are included for listing on The Nasdaq Global Market. (xxx) Investment Company Act. The Company is not, and immediately after giving effect to the sale of the Shares and the issuance of the ADSs against the deposit of the Shares in accordance with this Agreement and the application of proceeds as described in the Prospectus under the caption "Use of Proceeds," will not be, required to register as an "investment company" within the meaning of the Investment Company Act of 1940, as amended.

Purchase, Sale and Delivery of ADSs.

(a) **Shares.** On the basis of the representations, warranties and agreements herein contained, but subject to the terms and conditions herein set forth, the Company agrees to issue and sell the Shares to the several Underwriters, and each Underwriter agrees, severally and not jointly, to purchase from the Company the number of Shares set forth opposite the name of such Underwriter in Schedule I hereto. The purchase price for each Share shall be \$6.75 per share. The obligation of each Underwriter to the Company shall be to purchase from the Company that number of Shares (to be adjusted by the Representative to avoid fractional shares) which represents the same proportion of the number of Shares to be sold by the Company pursuant to this Agreement as the number of Shares set forth opposite the name of such Underwriter in Schedule I hereto represents to the total number of Shares to be purchased by all Underwriters pursuant to this Agreement. In making this Agreement, each Underwriter is contracting severally and not jointly; except as provided in paragraph (c) of this Section 3 and in Section 8 hereof, the agreement of each Underwriter is to purchase only the respective number of Shares specified in Schedule I.

At or prior to 9:00 a.m. Central European time on the second (or if the ADSs are priced, as contemplated by Rule 15c6-1(c) under the Exchange Act, after 4:30 p.m. Eastern time, the third) full business day following the date hereof, or at such other time and date as you and the Company determine pursuant to Rule 15c6-1(a) under the Exchange Act, such time and date of delivery being herein referred to as the “**Closing Date**”, payment of the full aggregate amount of the funds corresponding to the purchase and sale of the Shares shall be made by the Representative by wire transfer of immediately available funds to a specific bank account entitled “*augmentation de capital*” (the “**Capital Increase Bank Account**”) opened in the name of the Company with a relevant bank (the “**Capital Increase Bank**”), the details of which shall have been notified by the Company to the Representative at least five (5) business days prior to the Closing Date. The Company will cause the Capital Increase Bank to issue the certificate (*certificat du dépositaire des fonds*) required by Article L. 225-146 of the French Commercial Code subject to and upon receipt by such Capital Increase Bank of the full aggregate amount of the funds corresponding to the purchase and sale of the Shares. On the Closing Date, upon the issuance of the certificate required by Article L. 225-146 of the French Commercial code, the Company will cause the Capital Increase Bank to transfer to an account indicated by the Representative and paid to the Underwriters at the direction of the Representative (i) the product of \$0.405 per ADS multiplied by the number of Shares paid for by the Underwriters, plus (ii) the amount of expenses, if any, owing to the Underwriters as provided by this Agreement.

The Shares will be delivered by the Company against payment therefor to the Depository for issuance to you of the ADSs for the accounts of the several Underwriters.

(b) **Delivery.** If the Representative so elects, delivery of the ADSs may be made by credit through full fast transfer to the accounts at DTC designated by the Representative. In the event that the ADSs are not delivered to the Representative by 2:30 p.m., New York City time, on the Closing Date, the Company will cause the return of the full purchase price to the Representative’s agent, Pershing LLC, via same day funds by 9:30 a.m., New York City time on the next business day. The Company shall remain liable to Pershing LLC for the full amount of the purchase price and any costs associated with recovering the purchase price until the full amount has been received by Pershing LLC.

(c) Purchase by Representative on Behalf of Underwriters. It is understood that you, individually and not as Representative of the several Underwriters, may (but shall not be obligated to) make payment to the Company, on behalf of any Underwriter for the ADSs to be purchased by such Underwriter. Any such payment by you shall not relieve any such Underwriter of any of its obligations hereunder. Nothing herein contained shall constitute any of the Underwriters an unincorporated association or partner with the Company.

4. **Covenants of the Company.**

(a) The Company covenants and agrees with the several Underwriters as follows:

(i) Required Filings. During the period beginning on the date hereof and ending on the date, as in the opinion of counsel for the Underwriters, the Prospectus is no longer required by law to be delivered (assuming the absence of Rule 172 under the Securities Act), in connection with sales by an Underwriter or dealer (the "**Prospectus Delivery Period**"), prior to amending or supplementing the Registration Statement including any Rule 462(b) Registration Statement, the Time of Sale Disclosure Package or the Prospectus, the Company shall furnish to the Representative for review a copy of each such proposed amendment or supplement, and the Company shall not file any such proposed amendment or supplement to which the Representative or counsel to the Underwriters reasonably object. Subject to this Section 4(a)(i), promptly following execution of this Agreement, the Company will prepare the Prospectus containing the Rule 430B Information and other selling terms of the ADSs, the plan of distribution thereof and such other information as may be required by the Securities Act or the Rules and Regulations or as the Representative and the Company may deem appropriate, and if requested by the Representative, an Issuer Free Writing Prospectus containing the selling terms of the ADSs and such other information as the Company and the Representative may deem appropriate, and will file or transmit for filing with the Commission, in accordance with Rule 424(b) or Rule 433, as the case may be, copies of the Prospectus and each Issuer Free Writing Prospectus.

(ii) Notification of Certain Commission Actions. During the Prospectus Delivery Period, the Company shall promptly advise the Representative in writing (A) of the receipt of any comments of, or requests for additional or supplemental information from, the Commission, (B) of the time and date of any filing of any post-effective amendment to the Registration Statement or any amendment or supplement to any Preliminary Prospectus, the Time of Sale Disclosure Package or the Prospectus, (C) of the time and date that any post-effective amendment to the Registration Statement becomes effective, (D) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any ADS Registration Statement or, in each case, any post-effective amendment thereto or of any order preventing or suspending its use or the use of any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus, or (E) of any proceedings to remove, suspend or terminate from listing or quotation the ADSs from any securities exchange upon which they are listed for trading or included or designated for quotation, or of the threatening or initiation of any proceedings for any of such purposes. If the Commission shall enter any such stop order at any time, the Company will use its best efforts to obtain the lifting of such order at the earliest possible moment. Additionally, the Company agrees that it shall comply with the provisions of Rules 424(b), 430A and 430B, as applicable, under the Securities Act and will use its reasonable efforts to confirm that any filings made by the Company under Rule 424(b), Rule 433 or Rule 462 were received in a timely manner by the Commission (without reliance on Rule 424(b) (8) or Rule 164(b)).

(iii) Continued Compliance with Securities Laws. (A) During the Prospectus Delivery Period, the Company will use its reasonable best efforts to comply with all requirements imposed upon it by the Securities Act, as now and hereafter amended, and by the Rules and Regulations, as from time to time in force, and by the Exchange Act so far as necessary to permit the continuance of sales of or dealings in the ADSs or the Shares as contemplated by the provisions hereof, the Time of Sale Disclosure Package and the Prospectus. If during such period any event occurs as a result of which the Prospectus (or if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary or appropriate in the opinion of the Company or its counsel or the Representative or counsel to the Underwriters to amend the Registration Statement or supplement the Prospectus (or, if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) to comply with the Securities Act or to file under the Exchange Act any document which would be deemed to be incorporated by reference in the Prospectus in order to comply with the Securities Act or the Exchange Act, the Company promptly will (x) notify you of such untrue statement or omission, (y) amend the Registration Statement or supplement the Prospectus (or, if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) or file such document (at the expense of the Company) so as to correct such statement or omission or effect such compliance, and (z) notify you when any amendment to the Registration Statement is filed or becomes effective or when any supplement to the Prospectus (or, if the Prospectus is not yet available to prospective purchasers, the Time of Sale Disclosure Package) is filed.

(B) If at any time during the Prospectus Delivery Period and following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Preliminary Prospectus or the Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company (x) promptly will notify the Representative of such conflict, untrue statement or omission, (y) will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission, and (2) promptly will notify you when such amendment or supplement was or is filed with the Commission where so required to be filed.

(C) If immediately prior to the third anniversary of the initial effective date of the Registration Statement, any of the ADSs remain unsold by the Underwriters, the Company will prior to that third anniversary file, if it has not already done so, a new shelf registration statement relating to the ADSs and the Shares, in a form satisfactory to the Representatives, will use its best efforts to cause such registration statement to be declared effective within 180 days after that third anniversary, and will take all other action necessary or appropriate to permit the public offering and sale of the ADSs and the Shares to continue as contemplated in the expired registration statement relating to the ADSs and the Shares. References herein to the Registration Statement shall include such new shelf registration statement.

(iv) Blue Sky Qualifications. The Company shall use reasonable best efforts to take or cause to be taken all necessary action to qualify the ADSs and the Shares for sale under the securities laws of such jurisdictions as you reasonably designate and to continue such qualifications in effect so long as required for the distribution of the Shares and the ADSs, except that the Company shall not be required in connection therewith to qualify as a foreign corporation (where not otherwise required) or to execute a general consent to service of process in any jurisdiction (where not otherwise required).

(v) Provision of Documents. The Company will furnish, at its own expense, to the Underwriters and counsel for the Underwriters copies of the Registration Statement (which will, if so requested, include three complete manually signed copies of the Registration Statement and all consents and exhibits filed therewith), and to the Underwriters and any dealer each Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus, and all amendments and supplements to such documents, in each case as soon as available and in such quantities as you may from time to time reasonably request.

(vi) Rule 158. The Company will make generally available to its security holders as soon as practicable, but in no event later than 15 months after the end of the Company's current fiscal quarter, an earnings statement (which need not be audited) covering a 12-month period that shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 of the Rules and Regulations.

(vii) Payment and Reimbursement of Expenses. The Company, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, will, subject to the two immediately following sentences, pay or cause to be paid (A) all expenses (including transfer taxes allocated to the respective transferees) incurred in connection with the delivery to the Underwriters of the ADSs, (B) all expenses and fees (including, without limitation, fees and expenses of the Company's accountants and counsel but, except as otherwise provided below, not including fees of the Underwriters' counsel) in connection with the preparation, printing, filing, delivery, and shipping of the Registration Statement (including the financial statements therein and all amendments, schedules, and exhibits thereto), any ADS Registration Statement, the ADSs, each Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, any Issuer Free Writing Prospectus and any amendment thereof or supplement thereto, and the printing, delivery, and shipping of this Agreement and other underwriting documents, including Blue Sky Memoranda (covering the states and other applicable jurisdictions), (C) all filing fees and fees and disbursements of the Underwriters' counsel reasonably incurred and documented in connection with the qualification of the ADSs for offering and sale by the Underwriters or by dealers under the securities or blue sky laws of the states and other jurisdictions which you shall designate, (D) the fees and expenses of the Custodian and any transfer agent or registrar, (E) the filing fees and fees and disbursements of Underwriters' counsel incident to any required review and approval by FINRA of the terms of the sale of the ADSs, (F) listing fees, if any, (G) the cost and expenses of the Company relating to investor presentations or any "roadshow" undertaken in connection with marketing of the ADSs, and (H) all other costs and expenses of the Company incident to the performance of its obligations hereunder that are not otherwise specifically provided for herein. Notwithstanding the foregoing, the Company has agreed to reimburse the underwriters for documented expenses incurred by the Underwriters, including the fees and disbursements by Underwriters' counsel, in an amount not to exceed \$125,000 in the aggregate. If this Agreement is terminated by the Representative pursuant to Section 9 hereof or if the sale of the ADSs provided for herein is not consummated by reason of any failure, refusal or inability on the part of the Company to perform any agreement on its or their part to be performed, or because any other condition of the Underwriters' obligations hereunder required to be fulfilled by the Company is not fulfilled, the Company will reimburse the several Underwriters for all out-of-pocket accountable disbursements (including but not limited to reasonable fees and disbursements of counsel, printing expenses, travel expenses, postage, facsimile and telephone charges) incurred by the Underwriters in connection with their investigation, preparing to market and marketing the ADSs or in contemplation of performing their obligations hereunder, which amount shall not exceed \$125,000 in the aggregate.

(viii) Use of Proceeds. The Company intends to apply the net proceeds from the sale of the ADSs to be sold by it hereunder for the purposes set forth in the Time of Sale Disclosure Package and in the Prospectus.

(ix) Company Lock Up. The Company will not, without the prior written consent of Piper Sandler & Co., from the date of execution of this Agreement and continuing to and including the date 90 days after the date of the Prospectus (the “**Lock-Up Period**”), (A) offer, sell, contract to sell, pledge, grant any option to subscribe for or purchase, make any short sale or otherwise transfer or dispose of, directly or indirectly, or file with the Commission a registration statement under the Act relating to, any securities of the Company that are substantially similar to the ADSs or the Shares, including but not limited to any options or warrants to purchase Ordinary Shares or any securities that are convertible into or exchangeable for, or that represent the right to receive, Ordinary Shares or any such substantially similar securities, or publicly disclose the intention to make any offer, sale, pledge, disposition or filing or (B) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of Ordinary Shares or any such other securities, whether any such transaction described in clause (A) or (B) above is to be settled by delivery of Ordinary Shares or such other securities, in cash or otherwise, other than (i) to the Underwriters pursuant to this Agreement, (ii) the issuance of any ADSs or Ordinary Shares of the Company upon the exercise of options or vesting of awards granted under employee benefit plans described in the Registration Statements, the Time of Sale Disclosure Package and the Prospectus, (iii) the grant by the Company of awards under the Company’s employee benefits plans or other employee grants described in the Registration Statements, the Time of Sale Disclosure Package and the Prospectus, and (v) the filing of a registration statement on Form S-8 (or equivalent forms) in connection with an employee benefits plan.

(x) Lock-Ups. The Company has caused to be delivered to you prior to the date of this Agreement a letter, in the form of Exhibit A hereto (the “**Lock-Up Agreement**”), from each individual or entity listed on Schedule IV. The Company will use its commercially reasonable efforts to enforce the terms of each Lock-Up Agreement.

(xi) No Market Stabilization or Manipulation. The Company has not taken and will not take, directly or indirectly, any action designed to or which might reasonably be expected to cause or result in, or which has constituted, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the ADSs.

(xii) SEC Reports. During the Prospectus Delivery Period, the Company will file on a timely basis with the Commission such periodic and special reports as required by the Rules and Regulations.

(xiii) Internal Controls. During the Prospectus Delivery Period, the Company and its subsidiaries will use its best efforts to maintain such controls and other procedures, including without limitation those required by Sections 302 and 906 of the Sarbanes-Oxley Act and the applicable regulations thereunder, that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, including without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company's management, including its principal executive officer and its principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure, to ensure that material information relating to Company, including its subsidiaries, is made known to them by others within those entities.

(xiv) Sarbanes-Oxley. During the Prospectus Delivery Period, the Company and its subsidiaries will use their respective best efforts to comply with all applicable provisions of the Sarbanes-Oxley Act.

(xv) Free Writing Prospectuses. The Company represents and agrees that, unless it obtains the prior written consent of the Representative, and each Underwriter severally represents and agrees that, unless it obtains the prior written consent of the Company and the Representative, it has not made and will not make any offer relating to the ADSs that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a free writing prospectus required to be filed with the Commission; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the free writing prospectuses included in Schedule II. Any such free writing prospectus consented to by the Company and the Representative is hereinafter referred to as a “**Permitted Free Writing Prospectus**.” The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, and has complied and will comply with the requirements of Rules 164 and 433 of the Rules and Regulations applicable to any Permitted Free Writing Prospectus. The Company agrees not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of the Company that otherwise would not be required to be filed by the Company thereunder, but for the action of the Company. Each Underwriter severally represents and agrees that, (A) unless it obtains the prior written consent of the Company and the Representative, it has not distributed, and will not distribute any Written Testing-the-Waters Communication other than those listed on Schedule V, and (B) any Testing-the-Waters Communication undertaken by it was with entities that are qualified institutional buyers with the meaning of Rule 144A under the Act or institutions that are accredited investors within the meaning of Rule 501 under the Act.

(xvi) Deposit. The Company agrees to deposit Shares prior to the Closing Date with the Depository in accordance with the provisions of the Deposit Agreement and otherwise to comply with the Deposit Agreement so that ADSs and ADRs evidencing Shares will be executed (and, if applicable, countersigned) and issued by the Depository against receipt of such Shares and delivered to the Underwriters at the Closing Date.

5. **Conditions of Underwriters' Obligations.** The obligations of the several Underwriters hereunder are subject to the accuracy, as of the date hereof and at the Closing Date (as if made at such Closing Date), of and compliance with all representations, warranties and agreements of the Company contained herein, to the performance by the Company of its obligations hereunder and to the following additional conditions:

Except as disclosed in the Time of Sale Disclosure Package and in the Prospectus, subsequent to the respective dates as of which information is given in the Time of Sale Disclosure Package, (i) neither the Company nor any of its subsidiaries shall have incurred any material liabilities or obligations, direct or contingent, or entered into any material transactions, or declared or paid any dividends or made any distribution of any kind with respect to its capital stock; and (ii) there shall not have been (w) any change in the capital stock (other than a change in the number of outstanding shares of capital stock due to the issuance of shares upon the exercise of outstanding options or warrants or conversion of convertible securities), (x) any material change in the short-term or long-term debt of the Company (other than as a result of the conversion of convertible securities), (y) any issuance of options, warrants, convertible securities or other rights to purchase the capital stock of the Company or any of its subsidiaries, or (z) any Material Adverse Effect (whether or not arising in the ordinary course of business) or any loss by strike, fire, flood, earthquake, accident or other calamity, whether or not covered by insurance, incurred by the Company or any subsidiary, the effect of which that, in any such case described above, in your judgment, makes it impractical or inadvisable to offer or deliver the ADSs on the terms and in the manner contemplated in the Time of Sale Disclosure Package and in the Prospectus.

(i) The representations and warranties of the Company in this Agreement are true and correct as if made at and as of the Closing Date, and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to such Closing Date;

(ii) No stop order or other order suspending the effectiveness of the Registration Statement, or any ADS Registration Statement, or, in each case, any part thereof or any amendment thereof or the qualification of the ADSs or the Shares for offering or sale nor suspending or preventing the use of the Time of Sale Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus, has been issued, and no proceeding for that purpose has been instituted or, to the best of their knowledge, is contemplated by the Commission or any state or regulatory body; and

(iii) Affirms the accuracy of the matters set forth in subsection (c) of this Section 5.

(l) Lock-Up Agreement. The Underwriters shall have received all of the Lock-Up Agreements referenced in Section 4 and the Lock-Up Agreements shall remain in full force and effect.

(m) Other Documents. The Company shall have furnished to you and counsel for the Underwriters such additional customary documents, certificates and evidence as you or they may have reasonably requested.

(n) Exchange Listing. The ADSs to be delivered on the Closing Date have been approved for listing on The Nasdaq Global Market, subject to official notice of issuance, to the extent such approval is required.

(o) Depository's Certificate. The Depository shall have furnished or caused to be furnished to the Representative at such Closing Date certificates of the Depository satisfactory to the Representative evidencing the deposit with it of the Shares being so deposited against issuance of ADSs and ADRs evidencing the ADSs to be delivered by the Company at such Closing Date, and the execution, countersignature (if applicable), issuance and delivery of ADSs and ADRs evidencing such ADSs pursuant to the Deposit Agreement.

(p) CFO Certificate. On the date of this Agreement and on the Closing Date, as the case may be, the Company shall have furnished to the Representative a certificate, dated the respective dates of delivery thereof and addressed to the Underwriters, of its chief financial officer with respect to certain financial data contained in the Time of Sale Disclosure Package and the Prospectus, substantially in the form attached hereto as Exhibit E.

All such opinions, certificates, letters and other documents will be in compliance with the provisions hereof only if they are satisfactory in form and substance to you and counsel for the Underwriters. The Company will furnish you with such conformed copies of such opinions, certificates, letters and other documents as you shall reasonably request.

6. ***Indemnification and Contribution.***

(a) ***Indemnification by the Company.*** The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, from and against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise (including in settlement of any litigation if such settlement is effected with the written consent of the Company), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon: (i) an untrue statement or alleged untrue statement of a material fact contained in any ADS Registration Statement or the Registration Statement, including the 430A Information and any other information deemed to be a part of the Registration Statement at the time of effectiveness and at any subsequent time pursuant to the Rules and Regulations, if applicable, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus, any issuer information that the Company has filed or is required to file pursuant to Rule 433(d) of the Rules and Regulations, any roadshow materials, or any Testing-the-Waters Communication, (ii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (iii) any investigation or proceeding by any governmental authority, commenced or threatened (whether or not any Underwriter is a target of or party to such investigation or proceeding), and will reimburse each Underwriter for any legal or other expenses reasonably incurred by it in connection with investigating or defending against such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by you, or by any Underwriter through you, specifically for use in the preparation thereof; it being understood and agreed that the only information furnished by an Underwriter consists of the information described as such in Section 6(e).

(b) ***Indemnification by the Underwriters.*** Each Underwriter will, severally and not jointly, indemnify and hold harmless the Company, its affiliates, directors and officers and each person, if any, who controls the Company within the meaning of Section 15 of the Act and Section 20 of the Exchange Act, from and against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of such Underwriter), insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (i) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any ADS Registration Statement, the Registration Statement, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or any issuer information that the Company has filed or is required to file pursuant to Rule 433(d) of the Rules and Regulations, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by you, or by such Underwriter through you, specifically for use in the preparation thereof (it being understood and agreed that the only information furnished by an Underwriter consists of the information described as such in Section 6(e)), and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending against any such loss, claim, damage, liability or action as such expenses are incurred.

(c) Notice and Procedures. Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have to any indemnified party except to the extent such indemnifying party has been materially prejudiced by such failure (through the forfeiture of substantive rights or defenses). In case any such action shall be brought against any indemnified party, and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate in, and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of the indemnifying party's election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that if, in the sole judgment of the Representative, it is advisable for the Underwriters to be represented as a group by separate counsel, the Representative shall have the right to employ a single counsel (in addition to local counsel) to represent the Representative and all Underwriters who may be subject to liability arising from any claim in respect of which indemnity may be sought by the Underwriters under subsection (a) or (b) of this Section 6, in which event the reasonable fees and expenses of such separate counsel shall be borne by the indemnifying party or parties and reimbursed to the Underwriters as incurred. An indemnifying party shall not be obligated under any settlement agreement relating to any action under this Section 6 to which it has not agreed in writing. In addition, no indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed, effect any settlement of any pending or threatened proceeding unless such settlement includes an unconditional release of such indemnified party for all liability on claims that are the subject matter of such proceeding and does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party. Notwithstanding the foregoing, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel pursuant to this Section 6(d), such indemnifying party agrees that it shall be liable for any settlement effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(d) Contribution; Limitations on Liability; Non-Exclusive Remedy. If the indemnification provided for in this Section 6 is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the ADSs and the Shares, as applicable or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relevant intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (d) were to be determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the first sentence of this subsection (d). The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the ADSs purchased by it hereunder exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint. The remedies provided for in this Section 6 are not exclusive and shall not limit any rights or remedies that might otherwise be available to any indemnified party at law or in equity.

(e) Information Provided by the Underwriters. The Underwriters severally confirm and the Company acknowledges that the statements with respect to the public offering of the ADSs and the Shares by the Underwriters set forth in the fourth, thirteenth and fourteenth paragraph under the caption "Underwriting" in the Time of Sale Disclosure Package and in the Prospectus are correct and constitute the only information concerning such Underwriters furnished in writing to the Company by or on behalf of the Underwriters specifically for inclusion in any ADS Registration Statement, the Registration Statement, any Preliminary Prospectus, the Time of Sale Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus.

7. Representations and Agreements to Survive Delivery. All representations, warranties, and agreements of the Company herein or in certificates delivered pursuant hereto, including but not limited to the agreements of the several Underwriters and the Company contained in Section 6 hereof, shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any Underwriter or any controlling person thereof, or the Company or any of its officers, directors, or controlling persons, and shall survive delivery of, and payment for, the ADSs to and by the Underwriters hereunder and any termination of this Agreement.

8. ***Substitution of Underwriters.***

(a) ***Obligation to Purchase Under Certain Circumstances.*** If any Underwriter or Underwriters shall fail to take up and pay for the amount of ADSs agreed by such Underwriter or Underwriters to be purchased hereunder, upon tender of such ADSs in accordance with the terms hereof, and the amount of ADSs not purchased does not aggregate more than 10% of the total amount of Shares set forth in Schedule I hereto, the remaining Underwriters shall be obligated to take up and pay for (in proportion to their respective underwriting obligations hereunder as set forth in Schedule I hereto except as may otherwise be determined by you) the ADSs that the withdrawing or defaulting Underwriters agreed but failed to purchase.

(b) ***Termination Under Certain Circumstances.*** If any Underwriter or Underwriters shall fail to take up and pay for the amount of ADSs agreed by such Underwriter or Underwriters to be purchased hereunder, upon tender of such ADSs in accordance with the terms hereof, and the amount of ADSs not purchased aggregates more than 10% of the total amount of Shares set forth in Schedule I hereto, and arrangements satisfactory to you for the purchase of such ADSs by other persons are not made within 36 hours thereafter, this Agreement shall terminate. In the event of any such termination the Company shall not be under any liability to any Underwriter (except to the extent provided in Section 4(a)(vii) and Section 6 hereof) nor shall any Underwriter (other than an Underwriter who shall have failed, otherwise than for some reason permitted under this Agreement, to purchase the amount of ADSs agreed by such Underwriter to be purchased hereunder) be under any liability to the Company (except to the extent provided in Section 6 hereof).

(c) ***Postponement of Closing.*** If ADSs to which a default relates are to be purchased by the non-defaulting Underwriters or by any other party or parties, the Representative or the Company shall have the right to postpone the Closing Date for not more than seven business days in order that the necessary changes in any ADS Registration Statement, the Registration Statement, in the Time of Sale Disclosure Package, in the Prospectus or in any other documents, as well as any other arrangements, may be effected. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 8.

(d) ***No Relief from Liability.*** No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability, if any, in respect of such default.

9. **Termination of this Agreement.**

(a) **Right to Terminate.** You, as Representative of the several Underwriters, shall have the right to terminate this Agreement by giving written notice to the Company as hereinafter specified at any time at or prior to the Closing Date, if (i) the Company shall have failed, refused or been unable, at or prior to such Closing Date, to perform any agreement on its or their part to be performed hereunder, (ii) any condition of the Underwriters' obligations hereunder is not fulfilled, (iii) trading in the Company's ADSs representing Ordinary Shares shall have been suspended by the Commission or The Nasdaq Stock Market or trading in securities generally on The Nasdaq Stock Market or New York Stock Exchange shall have been suspended, (iv) minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been required, on The Nasdaq Stock Market or New York Stock Exchange, by such Exchange or by order of the Commission or any other Governmental Authority having jurisdiction, (v) a banking moratorium shall have been declared by federal or New York state authorities or French authorities or a material disruption shall have occurred and be continuing in commercial banking or securities settlement or clearance services in the United States or in France, or (vi) there shall have occurred any attack on, outbreak or escalation of hostilities or act of terrorism involving the United States, any declaration by the United States of a national emergency or war, any material adverse change in financial markets, or any other calamity or crisis that, in your judgment, is material and adverse and makes it impractical or inadvisable to proceed with the completion of the sale of and payment for the ADSs. Any such termination shall be without liability of any party to any other party except that the provisions of Section 4(a)(vii) and Section 6 hereof shall at all times be effective and shall survive such termination.

(b) **Notice of Termination.** If you elect to terminate this Agreement as provided in this Section, the Company shall be notified promptly by you by telephone, confirmed by letter.

10. **Default by the Company**

(a) **Default by the Company.** If the Company shall fail at the Closing Date to sell and deliver the number of ADSs which it is obligated to sell hereunder, then this Agreement shall terminate without any liability on the part of any Underwriter or, except as provided in Section 4(a)(vii) and Section 6 hereof, any non-defaulting party.

(b) **No Relief from Liability.** No action taken pursuant to this Section shall relieve the Company so defaulting from liability, if any, in respect of such default.

11. **Notices.** Except as otherwise provided herein, all communications hereunder shall be in writing and, if to the Underwriters, shall be mailed via overnight delivery service or hand delivered via courier to the Representative c/o Piper Sandler & Co., U.S. Bancorp Center, 800 Nicollet Mall, Minneapolis, Minnesota 55402, Attention: Equity Capital Markets, with a copy to Piper Sandler General Counsel at 800 Nicollet Mall, Minneapolis, MN 55402 and LegalCapMarkets@pjc.com; if to the Company, shall be mailed or delivered to it at Parc d'Activites la Poudrette-Lamartine, 4/6, rue du Dauphiné, 69120 Vaulx-en-Velin, France, Attention: Ms. Blandine Confort). Any party to this Agreement may change such address for notices by sending to the parties to this Agreement written notice of a new address for such purpose.

12. **Persons Entitled to Benefit of Agreement.** This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns and the controlling persons, officers and directors referred to in Section 6. Nothing in this Agreement is intended or shall be construed to give to any other person, firm or corporation any legal or equitable remedy or claim under or in respect of this Agreement or any provision herein contained. The term "successors and assigns" as herein used shall not include any purchaser, as such purchaser, of any of the ADSs from any of the several Underwriters.

13. **Absence of Fiduciary Relationship.** The Company acknowledges and agrees that: (a) the Representative has been retained solely to act as an underwriter in connection with the sale of the ADSs and that no fiduciary, advisory or agency relationship between the Company and the Representative have been created in respect of any of the transactions contemplated by this Agreement, irrespective of whether the Representative has advised or is advising the Company on other matters; (b) the price and other terms of the ADSs set forth in this Agreement were established by the Company following discussions and arms-length negotiations with the Representative and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated by this Agreement; (c) it has been advised that the Representative and its affiliates are engaged in a broad range of transactions which may involve interests that differ from those of the Company and that the Representative has no obligation to disclose such interest and transactions to the Company by virtue of any fiduciary, advisory or agency relationship; (d) it has been advised that the Representative is acting, in respect of the transactions contemplated by this Agreement, solely for the benefit of the Representative and the other Underwriters, and not on behalf of the Company; (e) it waives to the fullest extent permitted by law, any claims it may have against the Representative for breach of fiduciary duty or alleged breach of fiduciary duty in respect of any of the transactions contemplated by this Agreement and agrees that the Representative shall have no liability (whether direct or indirect) to the Company in respect of such a fiduciary duty claim on behalf of or in right of the Company, including stockholders, employees or creditors of the Company.

14. **Recognition of the U.S. Special Resolution Regimes.**

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

EDAP Announces Launch of Follow-On Offering

LYON, France, April 22, 2021 -- EDAP TMS S.A. (NASDAQ: EDAP) (the “Company”), a global leader in robotic energy-based therapies, announced today the launch of a follow-on public offering of its American Depositary Shares, or ADSs, each representing one ordinary share of the Company.

Piper Sandler is acting as the sole book-running manager for the offering.

A shelf registration statement on Form F-3 (including a prospectus) relating to the Company’s American Depositary Shares was filed with the Securities and Exchange Commission (the “SEC”) and has become effective. The Company has also filed a preliminary prospectus supplement with respect to the proposed offering. Before purchasing ADSs in the offering, you should read the preliminary prospectus supplement and the accompanying prospectus, together with the documents incorporated by reference therein. You may obtain these documents for free by visiting EDGAR on the SEC’s website at www.sec.gov. Alternatively, a copy of the preliminary prospectus supplement (and accompanying prospectus) relating to the offering may be obtained from Piper Sandler & Co., 800 Nicollet Mall, J12S03, Minneapolis, Minnesota 55402, Attention: Prospectus Department, by telephone at (800) 747-3924 or by email at prospectus@psc.com.

The Company also announced that it expects to report that total revenues were between €10.0 million and €10.4 million for the three months ended March 31, 2021, primarily driven by strength in its Distribution division, as compared to €7.6 million for the same period in 2020, with the Company’s gross margin expected to be between 40% and 44% for the period, as compared to 40.2% gross margin for the same period in 2020. The Company also expects to report that its cash and cash equivalents were approximately €24.4 million as of March 31, 2021.

In this press release, the Company has presented preliminary estimates of certain unaudited financial information for the three months ended March 31, 2021. The Company has provided ranges, rather than specific amounts, for the preliminary estimates of the unaudited financial information primarily because its financial closing procedures for the three months ended March 31, 2021 are not yet complete and, as a result, its final results upon completion of its closing procedures may vary materially from the preliminary estimates. The preliminary results are not a comprehensive statement of the Company’s financial results for this period. In addition, even if the Company’s actual results are consistent with these preliminary results, those results or developments may not be indicative of results or developments in subsequent periods. The preliminary estimates for the three months ended March 31, 2021 presented in this press release have been prepared by, and are the responsibility of, management. KPMG S.A., the Company’s independent registered public accounting firm, has not audited, reviewed, compiled or performed any procedures with respect to such preliminary data. Accordingly, KPMG S.A. does not express an opinion or any other form of assurance with respect thereto, and you should not place undue reliance upon these preliminary estimates.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. In particular, no public offering of the ADSs will be made in Europe.

Ladies and Gentlemen:

As an inducement to the underwriters (the "**Underwriters**") to execute a purchase agreement (the "**Purchase Agreement**") providing for a public offering (the "**Offering**") of American Depositary Shares (the "**ADSs**"), representing ordinary shares, nominal value €0.13 per share (the "**Ordinary Shares**") of EDAP TMS S.A. and any successor (by merger or otherwise) thereto (the "**Company**"), the undersigned hereby agrees that without, in each case, the prior written consent of Piper Sandler & Co. ("**Piper Sandler**") during the period specified in the second succeeding paragraph (the "**Lock-Up Period**"), the undersigned will not: (1) offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, make any short sale or otherwise transfer or dispose of, directly or indirectly, any ADSs, Ordinary Shares, any securities that are substantially similar to the ADSs or Ordinary Shares, or any securities convertible into, exercisable or exchangeable for or that represent the right to receive ADSs or Ordinary Shares (including without limitation, ADSs or Ordinary Shares which may be deemed to be beneficially owned by the undersigned in accordance with the rules and regulations of the Securities and Exchange Commission and securities which may be issued upon exercise of a stock option or warrant) whether now owned or hereafter acquired (the "**Undersigned's Securities**"); (2) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the Undersigned's Securities, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of ADSs, Ordinary Shares or such other securities, in cash or otherwise; (3) make any demand for or exercise any right with respect to, the registration of any ADSs, Ordinary Shares, any securities that are substantially similar to the ADSs or Ordinary Shares or any security convertible into or exercisable or exchangeable for ADSs or Ordinary Shares; or (4) publicly disclose the intention to do any of the foregoing.

The undersigned agrees that the foregoing restrictions preclude the undersigned from engaging in any hedging or other transaction which is designed to or which reasonably could be expected to lead to or result in a sale or disposition of the Undersigned's Securities even if such Securities would be disposed of by someone other than the undersigned. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put or call option) with respect to any of the Undersigned's Securities or with respect to any security that includes, relates to, or derives any significant part of its value from the Undersigned's Securities.

The Lock-Up Period will commence on the date of this Agreement and continue and include the date 90 days after the date of the final prospectus used to sell ADSs in the Offering pursuant to the Purchase Agreement,

Notwithstanding the foregoing, the undersigned may transfer the Undersigned's Securities (i) as a *bona fide* gift or gifts, (ii) to an immediate family member of the undersigned or to any trust or other entity established for the direct or indirect benefit of the undersigned or the immediate family of the undersigned, (iii) if the undersigned is a corporation, partnership, limited liability company, trust or other business entity (1) transfers to another corporation, partnership, limited liability company, trust or other business entity that is a direct or indirect affiliate (as defined in Rule 405 promulgated under the Securities Act of 1933, as amended) of the undersigned or (2) distributions of ADSs, Ordinary Shares or any security convertible into or exercisable for ADSs to limited partners, limited liability company members, stockholders or other equity holders of the undersigned, (iv) if the undersigned is a trust, transfers to the beneficiary of such trust, (v) transfers by testate succession or intestate succession, (vi) transfers required by operation of law, including pursuant to a qualified domestic relations order, or in connection with a divorce settlement or other order of a court or administrative or regulatory agency, (vii) transfers to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under any of the foregoing clauses (i) through (vi) above, or (viii) pursuant to the Purchase Agreement; *provided*, in the case of clauses (i)-(v) and (vii), that (A) such transfer shall not involve a disposition for value, (B) the transferee agrees in writing with the Underwriters to be bound by the terms of this Lock-Up Agreement, and (C) no filing by any party under Section 16(a) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), shall be required or shall be made voluntarily in connection with such transfer. For purposes of this Agreement, "immediate family" shall mean any relationship by blood, marriage or adoption, nor more remote than first cousin.

In addition, the foregoing restrictions shall not apply to (i) the exercise or settlement (including "net" or "cashless" settlement) of stock options granted pursuant to the Company's equity incentive plans; *provided* that this Agreement shall apply to any of the Undersigned's Securities issued to the undersigned upon such exercise or settlement and (ii) the establishment of any contract, instruction or plan (a "**Plan**") that satisfies all of the requirements of Rule 10b5-1(c)(1)(i)(B) under the Exchange Act; *provided* that no sales of the Undersigned's Securities shall be made pursuant to such a Plan prior to the expiration of the Lock-Up Period (as such may have been extended pursuant to the provisions hereof), and such a Plan may only be established if no public announcement of the establishment or existence thereof and no filing with the Securities and Exchange Commission or other regulatory authority in respect thereof or transactions thereunder or contemplated thereby, by the undersigned, the Company or any other person, shall be required, and no such announcement or filing is made voluntarily, by the undersigned, the Company or any other person, prior to the expiration of the Lock-Up Period (as such may have been extended pursuant to the provisions hereof).

The undersigned also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the Undersigned's Securities or ADSs held by the undersigned's immediate family, if any, except in compliance with the foregoing restrictions. In furtherance of the foregoing, the Company and its transfer agent and registrar are hereby further authorized to decline to make any transfer of ADSs or Ordinary Shares if such transfer would constitute a violation or breach of this Agreement.

The undersigned hereby represents and warrants that it: (i) has full power and authority to enter into this Agreement and that upon request, the undersigned will execute and additional documents reasonably necessary to ensure the validity or enforcement of this Agreement, and (ii) now has, and except as contemplated by this Agreement, for the duration of this Agreement will have, good and marketable title to the Undersigned's Securities, free and clear of all liens, encumbrances, and claims whatsoever. All authority herein conferred or agreed to be conferred and any obligations of the undersigned shall be binding upon the successors, assigns, heirs or personal representatives of the undersigned.

The undersigned understands that the undersigned shall be released from all obligations under this Agreement if (i) the Company notifies the Underwriters that it does not intend to proceed with the Offering, (ii) the Purchase Agreement does not become effective, or if the Purchase Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to payment for and delivery of the ADSs to be sold thereunder, or (iii) the Offering is not completed by May 30, 2021.

The undersigned understands that the Underwriters are entering into the Purchase Agreement and proceeding with the Offering in reliance upon this Agreement.

The undersigned acknowledges and agrees that the Underwriters have not provided any recommendation or investment advice, nor have the Underwriters solicited any action from the undersigned with respect to the Offering of the ADSs or Ordinary Shares and the undersigned has consulted his/her/its own legal, accounting, financial, regulatory and tax advisors to the extent deemed appropriate. The undersigned further acknowledges and agrees that, although Piper Sandler may be required or choose to provide certain Regulation Best Interest and Form CRS disclosures to the undersigned in connection with the Offering, Piper Sandler and the other Underwriters are not making a recommendation to the undersigned to enter into this Agreement, participate in the Offering, or sell any ADSs or Ordinary Shares at the price determined in the Offering, and nothing set forth in such disclosures is intended to suggest that Piper Sandler or any Underwriter is making such a recommendation.

This Agreement may be signed and delivered via facsimile, electronic mail (including any **electronic signature** covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any signature so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

Very truly yours,

Re: Registration Statement on Form F-3 filed by EDAP TMS S.A.

Ladies and Gentlemen:

We are acting as special French counsel for EDAP TMS S.A., a French *société anonyme* (the "Company") in connection with (i) the registration statement on Form F-3 (File No. 333-255101) (the "Registration Statement"), filed by the Company under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and (ii) the issue by the Company identified in a prospectus supplement (the "Prospectus Supplement") to the prospectus constituting a part of such Registration Statement, of 4,150,000 ordinary shares, nominal value €0.13 per share (the "Underlying Shares"), which Underlying Shares shall be delivered in the form of American Depositary Shares (the "ADSs"). The Underlying Shares will be issued and subscribed pursuant to the purchase agreement (the "Purchase Agreement") entered into by and among the Company and Piper Sandler & Co., acting as the representative of the several underwriters named in the Purchase Agreement, substantially in the form filed by the Company as an exhibit to a Current Report on Form 6-K filed on the date hereof.

In connection with the opinion expressed herein, we have examined such documents, records and matters of law as we have deemed relevant or necessary for purposes of such opinion. Based on the foregoing, and subject to the further limitations, qualifications and assumptions set forth herein, we are of the opinion that the Underlying Shares, when issued and delivered by the board of directors of the Company in accordance with the resolutions of the Company's shareholders adopted at the meeting of June 28, 2019 pursuant to the Purchase Agreement against full payment of their subscription price as provided in the Purchase Agreement, will be validly issued and fully paid and non-assessable.

As to facts material to the opinions and assumptions expressed herein, we have relied upon written statements and representations of officers and other representatives of the Company.

We are members of the Paris bar and this opinion is limited to the laws of the Republic of France.

This opinion is subject to the sovereign power of the French courts to interpret agreements and assess the facts and circumstances of any adjudication.

We hereby consent to the filing of this opinion as Exhibit 5.1 to the current Report on Form 6-K filed on the date hereof by the Company and incorporated by reference into the Registration Statement and to the reference to Jones Day under the caption "Legal Matters" in each of the prospectus and Prospectus Supplement constituting a part of such Registration Statement. In giving such consent, we do not thereby admit that we are included in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission promulgated thereunder.

This opinion is given on the basis that it is to be governed by, and construed in accordance with, the laws of the Republic of France.

Very truly yours,
